by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 4-4-125, is amended by deleting it in its entirety, and by substituting instead the following language:

No state entity shall publicly disclose the social security number of any citizen of the state unless permission is given by such citizen or distribution is authorized under state or federal law. For the purposes of this section, "publicly disclose" shall not include the use of any social security number by any state governmental entity in the performance of its functions or the disclosure of any social security number to another state entity, political subdivision, agency of the federal government, or any private person or entity which has been authorized to perform certain duties as a contractor of the State of Tennessee. Any person or entity receiving a social security number from any state entity shall be subject to the same confidentiality provisions as the disclosing state entity. For purposes of this section, "state entity" means any state department, division, agency, bureau, board, commission, or other separate unit of government created or established by the constitution, by law or pursuant to law, including the legislative branch and the judicial branch, and any employee or agent thereof.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
